

Love goes beyond the walls of the family home of Jim Tsioubris and his father Bill, proud owners of The Grille Restaurant and Bar. This 24 hour restaurant serves food that is prepared fresh daily. Everything in this kitchen is served from the heart of people who truly love food. They keep the Greek gods smiling here.

Our waiter, Peter happily talked about the food he loves and is proud to serve. Marinated for hours in advance, the flavourful souvlaki dinners are incredibly tender and get better with each bite. The breaded calamari is perfection and rarely have I ever tasted a chicken Caesar like this one. The world famous ribs are just that – people talk about them in Spain, England and France. Seafood delight is simply covered in cheese – Can't talk – eating.

Remember when you were a kid enjoying a sandwich at a Mom and Pop diner? You can relive those childhood memories with their hot sandwiches. You've been clubbing and it's now three in the morning? The Grille's all day breakfast includes pancakes in flavours ranging from chocolate to blueberry to potato. The waffle lover is not forgotten either, and with a choice of 15 omelettes you can rejoice. As for Eggs Benedict, they come in thirteen varieties including asparagus.

Being proud of where you come from and where you're going is embodied 24/7 in this haven that awaits your appetite.
